About sixty members of Keystone Chapter, R. A. M., came from Barton, Orleans, Irasburg and surrounding towns to confer the Royal Arch degree of masonry on H. B. Amey, Edmund Foss and A. H. Nourse, last Friday night. At 6:30 the visiting and local companions enjoyed a rich banquet at the Stewart House which was served in Mr. Gilman's best style. Visitors were present from Newport, Colebrook, Gorham and Bradford chapters.

Better Paint

Better paint this year if your property needs it. Mistaken men have been waiting for paint to come down. The cost of their job has gone up not down; it always goes up by waiting; never comes down.

Better paint than Devco? There isn't any.

Suppose one had waited 20 or 30 years ago for a better paint than Devco; how long would he have waited? How long would he still have to wait?

The price a gallon makes some difference; yes, but not much; it's the paint that counts; the quality counts. It's the go-for that counts. Protection of property counts more yet. Better paint.

Oscar T. Davis sells it.

Feature Attraction Coming.

On Monday evening next, Sept. 13, Guy Brothers Celebrated Minstrels will be the attraction at the Island Pond Opera House, and it is one that can be depended on to please the patrons. Mr. Geo. R. Guy always carries a first-class production, and this season will retain the name won years ago. This company is the oldest on the road, this making the thirty-ninth year of continued success. The minstrel shows of to-day are made up to last one year, while Guy Brothers will live forever, as they always have a clean, refined and wholesome performance, and one which you can go to and enjoy a good hearty laugh. Thirty-five people are carried to make the company complete, and they are the best of soloists, musicians, acrobats, jugglers, dancers and comedians in the business. Everyone will be pleased to hear good music, and the kind put up by Guy Brothers' famous Silver Concert Band and Orchestra is always of the very best quality. Don't miss seeing this attraction next Monday evening, Sept. 13. Secure your reserved seat tickets now at Thurston's Drug Store. They don't cost any more.
